Scholars should inform the Indian Embassy/High Commission of their travel schedule well in advance so that ICCR can make reception and other arrangements for them.
- 11) Hostel accommodation is not guaranteed and is an exception rather than an assured facility. The accommodation allowance that ICCR gives, allows 2 to 3 students to "chum up", and share a small flat.
- 12) **Scholars are advised to carry some money to meet some incidental expenditure on arrival.**
- 13) All intending candidates should in their own interest obtain a certificate that they are free from AIDS prior to their departure for India. Even in India, the applicant would have to go for AIDS test before the admission is finally given to overseas scholars. In case any of the nominees is found to be HIV positive in India the scholar will be repatriated immediately and the Council would not bear any expenses on this account.
- 14) The scholars who are awarded scholarships should bring with them all documents relating to their qualifications **in original** for verification by the respective college/university at the time of admissions.
- 15) This application form contains a 'tear-out' sheet at Appendix-7 titled "Joining Report of the Scholar". This form should not be submitted alongwith the main application. Instead, the **'Joining Report' form should be removed and submitted to ICCR by the scholar in the event the scholar has been granted scholarship** and only after the scholar has joined an educational institute in India. This form should be submitted with the required stamp & signature of the Institute authorities.
